TROCAIRE LENTEN CAMPAIGN: As we follow Christ into the wilderness for the forty days of Lent, let us also remember young Mahlet and her family in Ethiopia, the focus of the Trocaire campaign this year, and who remain in the barren desert throughout the year. Without our help, their penance and sacrifices continue with no alternative option and no end. With your solidarity this Lent, Mahlet will have a different future. In the coming months, Trócaire will be working with a local partner there to install a water irrigation project whereby farmers will have water for their crops and food for their families and animals.

We welcome the Trocaire representatives who will be speaking at Masses in the parish this weekend
