VISIT OF THE ICON OF OUR LADY OF PERPETUAL HELP to all the Cathedrals of Ireland, visiting St Mary's Cathedral on this Wed April 6th and Thurs April 7th. We are delighted that the Redemptorist Order who were with us for our Parish Mission in Oct 2014 will be amongst us again.

About the Icon

It is a most famous icon in Rome since 1499, and is permanently enshrined in the Church of Sant' Alfonso di Liguori, and a copy of it has been in Ireland with the Redemptorists priests with 150 years. The image depicts the Blessed Virgin Mary wearing a dress of dark red, representing the Passion of Jesus, with a blue mantle, representing her perpetual virginity, and cloaked veil, which represents her pure modesty. The icon shows Mary looking towards the faithful, while pointing at her son, Jesus Christ who is frightened by the instruments of crucifixion and is depicted with a fallen sandal. His mother seeks to comfort him. She wants to help us too. On the left side is Saint Michael, carrying the lance and sponge of the crucifixion of Jesus. On the right is Saint Gabriel carrying a 3-bar cross used by Popes at the time and nails. The Virgin Mary has a star on her forehead, signifying her role as Star of the Sea. In our Parish we have the Novena to Our Lady of Perpetual Help in the Cathedral every Monday evening incorporated with the 6.15pm Mass. People hold a great devotion to the Icon and to Our Lady for help in their times of need—trusting that she will help us, just like she helped Jesus, her Son, our Saviour.
