THE WORLD MEETING OF FAMILIES in 2018 has been named by Pope Francis to take place in Ireland and is expected to attract thousands of Catholic families from around the globe to Ireland. It is hoped that this very special pastoral initiative will be present all of us in the Church with the opportunity, and the challenge, to renew, support and strengthen Irish families in their commitment to their faith. To support this, there will be a **second collection taken up at all Masses this weekend.**

Loving God, each day as I step further into my future, give me the courage, knowledge and patience that I need.
