PASTORAL LETTER FROM BISHOP RAY BROWNE—THE RIGHT TO LIFE OF THE UNBORN "So great is the value of human life, and so inalienable the right to life of an innocent child growing in the mother's womb, that no alleged right to one's own body can justify a decision to terminate that life ..." (Pope Francis, 'The Joy of Love' 83)

From Bishop Ray: "Every child is a gift from God. People of all faiths and none share the conviction that the unborn child has a right to life. There are many very difficult pregnancy situations. Our response is "Love them Both – Mother and Child". There is much that is honourable in the fact that for 35 years our Constitution has acknowledged the "right to life of the unborn child". How heart-breaking and sad if our country votes to replace it with the phrase "Provision may be made in law for the regulation of termination of pregnancy"! Let us be Pro Life in the Referendum. Let all our words be sensitive and kind. Please pray that the people of our country will choose to speak out in defence of life, the life of every innocent child growing in their mother's womb". The Pastoral Letter is available at the newsletter tables at the Church doors, please take on with you as you leave. It is also on www.dioceseofkerry.ie
