## SEASON OF CREATION 2023

### "Let Justice and Peace Flow".

"All powerful God, bring healing to our lives,  
that we may protect the world and not prey on it,  
that we may sow beauty, not pollution and destruction." (Pope Francis)

The Season of Creation is marked throughout the Christian world from 1st September to 4th October (Feast of Saint Francis of Assisi). The season celebrates the joy of creation, and encourages awareness-raising initiatives to protect the natural environment.

The Prophet Amos declares: "Let justice roll on like a river, righteousness like a never-failing stream!" (Amos 5: 24), this is the inspiration for our 2023 theme, "Let Justice and Peace Flow".

We are called to join "the river of justice and peace", to take up climate and ecological justice, and to speak out with and for communities most impacted by climate injustice and the loss of biodiversity. In many parts of the world, it is the poorest of peoples who suffer most because of disastrous effects of climate change. Many migrants coming to Europe do so because climate change has destroyed their livelihoods at home, some through successive seasons with no rain, some through excessive rainfall and floods that has washed away their homes and possessions. Climate change, biodiversity and poverty challenge every part of Ireland too.

### Returning to Nature

"Parishes are asked to expand their circles of solidarity, to protect and care for biodiversity and creation on 30% of their grounds, and to care for this as a haven for pollinators and biodiversity, that can be enjoyed by the whole community."

Last March with these words, the Catholic bishops of Ireland set the challenge, that parishes would return 30% of church grounds to nature by 2030. This is a response to the biodiversity crisis our world is facing, the call of Pope Francis in 'Praised Be', (Laudato Si'), and the agreements made at recent UN Conferences on Biodiversity. Remember Pope Francis request, "Care for our common home": care for all aspects of life on our planet; care for the whole human family, they are our sisters and brothers.

### What Can Your Parish Do?

The following resources will help you and your parish community celebrate the Season of Creation 2023 with a particular focus on this 30% challenge. <https://www.dioceseofkerry.ie/justice/eco-award/season-of-creation-2023/>
